High School District Offers 2012–13 Limited Open Enrollment at Union Mine High School

The El Dorado Union High School District is pleased to announce that Limited Open Enrollment at Union Mine High School for the 2012–13 school year will be offered to students who reside within the El Dorado Union High School District attendance boundaries. The enrollment projection for the school's permanent capacity will allow for no more than 32 transfers.

Applicants may obtain the Limited Open Enrollment Request form and Instructions at the front office at each high school within the District, or on-line at www.eduhsd.net, or at the District Office located at 4675 Missouri Flat Road, Placerville.

Assistant Superintendent for Student Services Steve Volmer says that, "The District will consider only those Request forms submitted during the **Limited Open Enrollment Period, which is from December 1, 2011, through January 20, 2012, no later than 4:00 p.m.**" He further adds that, "The District will perform a computer-generated random selection from all of the valid requests received by the enrollment deadline. A list will be developed based on this randomized numerical ranking, and the first 32 Requests will be offered enrollment into Union Mine High School." Volmer also notes that, "If one of the initial 32 Requests should decline the offer of enrollment, then the next request on the ranked list will be offered enrollment."

Volmer directs interested applicants to thoroughly read the *Instructions for Limited Open Enrollment* for additional pertinent information regarding Submission of Forms, District policy regarding Siblings, Sports Eligibility, and parent's responsibility for Transportation to and from school.

Parents who have questions regarding the Limited Open Enrollment process may contact the District's Student Services Office at (530) 622-5081, ext. 7229 or 7224.
