Requirements to apply for a Preliminary Designated Subjects Career Technical Education Teaching Credential (Excerpts from CL-880)

Effective January 1, 2009, Designated Subjects Career Technical Education (CTE) Teaching Credentials may be issued to individuals who meet the requirements for either the preliminary or clear credential as outlined below. All applications must be submitted for processing through a Commission-approved CTE program sponsor. See the Commission website for a list of Commission-approved program sponsors. www.ctc.ca.gov

Authorization

The *Preliminary* Designated Subjects CTE Teaching Credential authorizes the holder to teach in the subject or subjects named on the credential in grades twelve and below and in classes organized primarily for adults, in career technical, trade or vocational courses

Requirements for the Three-Year Preliminary Credential

Individuals must satisfy **all** of the following requirements:

1. Three years of work experience directly related to each industry sector to be named on the credential. One year equals a minimum of 1000 clock hours and the experience may be full-time or part-time, paid or unpaid.
2. High school diploma requirement by **one** of the following methods:
 - a. Possess a high school diploma
 - b. Possess a diploma based on passage of the GED Test
 - c. Possess the foreign equivalent of a high school diploma
3. Verification, signed by the Commission-approved program sponsor, that the applicant has been apprised of the requirements for both the preliminary and clear credentials, including the requirements of the program of personalized preparation
4. Completed application (form 41-4)
5. Completed LiveScan receipt (41-LS), verifying fingerprints have been taken and fees have been paid, unless fingerprint clearance is already on file with the Commission
6. Application processing fee
7. Recommendation by a Commission-approved CTE program sponsor

Period of Validity

The preliminary credential is valid for three years.
