**Programs begin July and January
High School Students — 12:30pm–5:30pm**

**Training in theoretical, practical, and all phases of
hair care with particular emphasis on chemistry,
product knowledge, and life science**

Students must complete 1600 clock hours of applied effort set forth by the State Board of Cosmetology, in addition to complying with the educational standards of the Central Sierra ROP. Students will be taught the theoretical knowledge and practical skills needed to pass the California Cosmetology Examinations. Become familiar with business practices and procedures used in most salons. In the exciting career of cosmetology, you can become a hairstylist, platform artist, salon owner, or one of many opportunities open to licensed cosmetologists.
