

Central Sierra Regional Occupational Program—El Dorado Section

ROP Animal Health

Course Description

ROP Animal Health is an Advance Agriculture course designed to give students highly individualized instruction in various areas of the animal health industry. The course combines classroom instruction with practical on-the-job training. Job specific training is utilized through the operation of community classrooms targeted to match occupational competencies for the job.

For more information visit your High School Career Center or the Central Sierra Regional Occupational Program 4675 Missouri Flat Rd, Placerville, CA 95667 530-622-5081 ext, 7239
