Guidance counselors are available at all campuses to provide assistance in planning a course of study. For additional information, please reference the Course Directory.

#### Certificate of Completion

Students with disabilities may be awarded a certificate of completion rather than a diploma as determined by their Individualized Education Plan (IEP). Parents may contact their child's special education case manager for information.

\*\* Completion prior to grade 9, of algebra course work that meets or exceeds state academic content standards shall not exempt a student from the requirement to complete three mathematics courses (30 credits) in grades 9-12 (*Education Code 51224.5*)
