

Nutrition Services

El Dorado Union High School District Nutrition Services will provide students nutritious meals Monday through Friday during distance learning beginning on Monday, August 10, 2020. Students and parents may go to any of the four comprehensive sites in the District to pick up meals. Please provide your student ID or your student(s) name to the cashier.

Please note, according to new State regulations, we can only serve EDUHSD enrolled students.

**Daily Serving Time:
10:45 a.m. to 1:15 p.m.**

Due to covid-19, many families who were not previously receiving free meals may now qualify. We encourage all families to submit a confidential meal application online: secure.ezmealapp.com/

Families can also upload funds to their student's account through www.myschoolbucks.com/ or at any of our comprehensive locations.

Safety is our number one priority, and we have implemented meal distribution procedures that ensure compliance with the Centers for Disease Control (CDC) and local health department COVID-19 recommendations.

We encourage families to continue to be proactive in reducing the risk of COVID-19 by not congregating at the school site, but by utilizing social distancing once meals have been distributed.
