

Bid Q&A

Q1. On page 5 of 61 of the bid it states that the bid duration is August 1, 2017 through June 30, 2018. But on page 7 of 61 under Term of Contract it states the bid duration is July 31, 2017 through June 30, 2018. Just want to clarify which is the correct duration time. Please advise.

A1. The start date should be July 1, 2017 and end date is June 30, 2018.

Q2. Do you have the items requested in an excel form, it would be most helpful.

A2. You can find an editable copy of the RFP at our district website. <http://www.eduhsd.k12.ca.us/> Once you are at the website please click on the “resources” drop down.

Q3: Dairy prices change monthly based on changes established by the State of California, Department of Food and Agriculture, Bureau of Milk Stabilization. Does this RFP allow for monthly changes or is this a fixed pricing bid for the duration of the term?

A3. Yes, This RFP does allow for Dairy price fluctuations.

Q4: The usage on attachment B-5 is indicated as “Estimated Annual Cases” which depending on the dairy has approximately 50 half pints in a case, using this methodology the total number of units used during the school year is approximately 14.25 million. This seems extremely high given a student body of only 6,649? Please confirm if the volume on page 35 is in cases or units.

A4. It should have been average yearly units NOT cases.
