Dear Parent/Guardian and Student:

The El Dorado Union High School District has organized this online Student Handbook to help answer questions you may have and assist you in being informed about academic requirements, student services, student activities, individual school schedules, and much more. A booklet, Annual Notification to Parents/Guardians, providing important information about Federal and California State laws relating to rights of parents/guardians and students, is mailed prior to the beginning of school each year.

Parents/Guardians are asked to complete the Parents/Guardians Rights Acknowledgment form on the back page of the notice and return it to your son’s or daughter’s school. The Annual Notification to Parents/Guardians is also available on the Aeries Parent Portal [https://parentportal.edusd.k12.ca.us/aeries.net/LoginParent.aspx?page=default.aspx]. Parents/Guardians Rights Acknowledgment can be submitted via the Aeries Parent Portal.

Parental/Guardian involvement is critical during a student’s high school years. After high quality teaching, the most significant contributor to student achievement in school is the support and encouragement of parents/guardians. This handbook is designed to strengthen our home-school partnership as we prepare our students for their post-high school educational goals and careers.

You will note there is a good deal of information in this handbook. I highly encourage you to take a few minutes to carefully read and review this publication.

You will receive other valuable information during the school year in periodic newsletters. We hope you find this handbook to be helpful in becoming more informed about both your school and the El Dorado Union High School District.

Best wishes for a successful 2018–19 school year!

Sincerely,

Ron Carruth, Ed.D.
Superintendent

Parent/Guardian Notifications

Annual Notifications to Parents/Guardians
California Education Code requires that parents/guardians and students are notified of certain specific laws regarding rights and privileges.

The annual notification booklet mailed each July to the parents/guardians of every District student fulfills this notification responsibility. It is important that you read the material and sign the Parents/Guardians Rights Acknowledgment form for your student to return to school.

The Annual Notification to Parents/Guardians is also available on the Aeries.net Parent Portal (see address link below). The Parents/Guardians Rights Acknowledgment form can be submitted via the Aeries Parent Portal at https://parentportal.eduhsd.k12.ca.us/aeries/LoginParent.aspx?page=default.aspx

School Accountability Report Card
Education Code 35256 requires the Board of Trustees to annually issue a School Accountability Report Card (SARC) for each school site, reporting all conditions listed in Education Codes 33126 and 41409.3. Pursuant to Education Code 33126, the goal of the SARC is to provide data by which parents/guardians can make meaningful comparisons between schools.

Each summer, the previous year’s SARCs are accessible to parents/guardians via the District or County Office of Education internet websites:

- www.eduhsd.net
- www.edcoe.org

Copies of a SARC may also be mailed home or made available at the school site or District Office upon request.

Nondiscrimination Policies
The El Dorado Union High School District does not discriminate for any reason and is in compliance with Title VI of the Civil Rights Act of 1964 (pertaining to race, color, and national origin), Title IX of the Education Amendments of 1972 (pertaining to sex), Section 504 of the Rehabilitation Act of 1973 (pertaining to handicap), and the Age Discrimination Act of 1975. Our nondiscrimination policy covers admission and access to District programs and activities. Inquiries regarding equal opportunity policies or filing of grievances, or to request a copy of the grievance procedures covering discrimination complaints, may be directed to the Title IX and Uniform Complaint Procedure Coordinator at the District Office. Also refer to the Annual Notification to Parents/Guardians publication for additional detail on these topics.
Uniform Complaint Procedures

Discrimination, Harassment, Intimidation, Bullying, Title IX, Williams Act, and Unauthorized Student Fees

The El Dorado Union High School District is committed to maintaining a learning environment that is free from discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in sections 422.55 of the Penal Code and 220 of the Education Code, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. Students shall also not be required to pay an unauthorized fee for participation in an educational activity.

Nondiscrimination. Any student who engages in discrimination of another student or anyone from the District may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in discrimination may be subject to disciplinary action up to and including dismissal.

Any student, staff member, or parent/guardian who feels that sexual harassment has occurred should immediately contact the teacher, principal of the school or District Title IX and Uniform Complaint Procedure Coordinator. If the concern is not resolved, a formal complaint may be initiated at the school or by directly contacting the District Coordinator. Copies of the Uniform Complaint Procedure and Form may be obtained free of charge from your school office or from the District Title IX and Uniform Complaint Procedure Coordinator.

Harassment, Intimidation, and Bullying. The El Dorado Union High School District prohibits, at any district school or school activity, unlawful harassment, intimidation, and/or bullying. A student or parent/guardian should report such incidents to school administration or other school employee. School administration shall conduct a timely, thorough investigation and take necessary actions to resolve the situation. If the issue has not been satisfactorily resolved by school administration, the parent/guardian/student may file a complaint in accordance with the District’s Uniform Complaint Procedure. A student engaging in unlawful discrimination, harassment, intimidation, or bullying shall be subject to appropriate discipline, up to and including counseling, suspension and/or expulsion.

Sexual Harassment. The District has adopted the following strict policy containing rules and procedures for reporting sexual harassment and pursuing remedies.

Title IX. No person shall, on the basis of gender, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance. The Title IX Uniform Complaint Procedure Coordinator or the school principal should be contacted regarding complaints related to Title IX.

Williams Act. Every school must provide sufficient textbooks and instructional materials. Every student, including English learners, must have textbooks or instructional materials, or both, to use at home or after school. School facilities must be clean, safe, and maintained in good repair. There should be no teacher vacancies or misassignments. If a school is found to have deficiencies in these areas, and the school does not take corrective action, then a complaint form may be obtained at the school’s administrative office. Parents/guardians, students, teachers or any member of the public may submit a complaint regarding these issues. However, it is highly encouraged that individuals express their concerns to the school principal before completing the complaint form to allow the school to respond to these concerns. The District’s William Uniform Complaint Procedures will be followed for these types of complaints.

Unauthorized Student Fees. A student enrolled in a public school shall not be required to pay an unauthorized student fee for participation in an educational activity. All supplies, materials, and equipment needed to participate in educational activities shall be provided to students free of charge. The El Dorado Union High School District shall not charge any fees that are not authorized by law. Donations may be requested by the District. Parents/guardians and students who feel they have been or are being charged an unauthorized student fee should report the incident to the principal of the school for resolution of the issue. If the issue is not resolved, the parent/guardian and student may request to file a formal complaint with the principal of the school under the Uniform Complaint Procedures.
To File a Uniform Complaint

1. **Filing a Complaint.** Obtain a copy of the Uniform Complaint Procedure and form (BP/AR/F 1312.3) from the school or District Title IX and Uniform Complaint Procedure Coordinator. Submit the complaint form to the principal or Coordinator.

2. **Filing Time Line.** Unlawful discrimination complaints shall be filed not later than 6 months from the date the alleged discrimination occurred, or 6 months from the date the complainant first obtained knowledge of the facts of the alleged discrimination.

3. **Mediation.** Mediation is optional. It involves a third party to help in resolving the dispute. If mediation is used, time lines are extended an additional 30 days.

4. **Investigation.** The District will investigate the complaint and provide a written report of the investigation and decision within 60 days of when the complaint is filed.

5. **Appeals.** If the person making the complaint disagrees with the District’s decision, he/she has 5 days to appeal the decision to the School District Board of Trustees; or alternatively, 15 days to appeal the decision to the California Department of Education (CDE). The appeal to CDE must include a copy of the locally filed complaint and a copy of the LEA Decision.

6. **Additional Action.** The person filing a discrimination complaint may also pursue action in civil court at least 60 days after filing an application with the California Department of Education.

Complaints will be kept confidential.

The District prohibits retaliation against any participant in the complaint process. Each complaint shall be investigated promptly and in a way that respects the privacy of all parties concerned. If you have a complaint, contact a teacher, principal, supervisor, site administrator, or:

Guidance counselors are available at all campuses to provide assistance in planning a course of study. For additional information, please reference the Course Directory.

Certificate of Completion

Students with disabilities may be awarded a certificate of completion rather than a diploma as determined by their Individualized Education Plan (IEP). Parents may contact their child’s special education case manager for information.

**Completion, prior to grade 9, of algebra course work that meets or exceeds state academic content standards shall not exempt a student from the requirement to complete three mathematics courses (30 credits) in grades 9–12. (Education Code 51224.5)

Graduation Credits. Student credit toward graduation is evaluated at the end of each semester. Students who are falling behind the expected progress towards graduation will be notified by mail of their grade level/graduation status for the beginning of the following year.

Grades

Letter Grades. Students receive letter grades of A, B, C, D, or F. Grades of pass or fail may be given at the Independent Study Program, in alternative education, or under special circumstances.

Course Credit. Five credits will be awarded for any passing semester grade (A–D), unless the course has been approved for variable credit.

Honor Roll. The requirements for Honor Roll at each of the comprehensive sites may vary. Check with your Counseling Office for detail.

Failing Grades. An “F” grade does not carry credit. Failing grades in any courses required for graduation must be made up as soon as practical for the student and the school.

Incomplete Grades (I). Incomplete grades must be made up within 4 weeks of the end of the grading period. After 4 weeks, the incomplete grade becomes a letter grade, based on the work completed. The student is responsible for making up an incomplete grade.

NM / NC Grade. Under special circumstances, a student may receive an NM or NC grade. NM signifies that a student has not been enrolled long enough for a grade to be determined. NC indicates that no credit has been earned. See Board Policy and Regulation 5121 for details.

Transcripts. Transcripts are maintained in the Counseling Office by the Registrar. Students can request that a transcript be sent to colleges, universities, and scholarship sponsors/or organizations by completing a Transcript Request form. Each school maintains a fee structure for transcript reproduction.

Scheduling Classes

New Students. New students should attend New Student Orientation held prior to the opening of school. Check with the Counseling Office for dates and times.

Choosing Classes. Class schedules should be carefully chosen to ensure that students meet graduation requirements and have taken the pre-requisites for college or vocational training. Counselors are available to assist students in making appropriate course choices.

In the spring, students receive information from counselors about courses being offered for the following year. (There is more frequent scheduling in Alternative Programs.) Students have several days to discuss course offering information with their parents/guardians, teachers, and counselors before completing a form to sign up for the courses they wish to take. Parent/guardian signature is required on this form. Teachers must initial those classes that require teacher authorization. Forms are turned in to the Counseling Office where these requests are used to set up the master schedule of classes for the next school year.

Changing Classes. Due to limited offerings and reduced staffing, class changes will be extremely limited.

Please consult your high school Counseling Office for class change procedures.

Class Loads. El Dorado, Ponderosa, and Oak Ridge high school students in grades 9–12 must be enrolled in a minimum of 60 credits. Seniors must be enrolled in a minimum of 50 credits.

Union Mine High School students in grades 9–12 must be enrolled in a minimum of 30 credits per term.

Repeating Classes. Although a course may be taken a second time, credit for that course may only be earned once. The highest grade earned will be the grade used to determine grade point average (GPA). There are exceptions for certain electives.

Calculating Grade Point Average (GPA). Using the semester grades on your past report cards for grades 9 and above, you can figure out your grade point average. Count all grades received.

Fill in the following:

<table>
<thead>
<tr>
<th>Grade Points</th>
<th>No. of</th>
</tr>
</thead>
<tbody>
<tr>
<td>A’s x 4</td>

<tr>
<td>B’s x 3</td>

<td></td>
</tr>
<tr>
<td>D’s x 1</td>
<td></td>
</tr>
<tr>
<td>F’s x 0</td>
<td></td>
</tr>
</tbody>
</table>

To calculate your GPA for college, use only academic grades received (“a–g” list of courses). Check with your counselor.

Weighted Grades. Students who are enrolled in weighted courses will earn additional grade points. The following grade points are given for approved classes:

- A = 5 points
- B = 4 points
- C = 3 points
- D = 1 point

Report Cards and Schedule

Reports to Parents/Guardians. Eight grade reports are distributed to homes during the year, approximately every 4–5 weeks. This is twice the number of reports usually sent by high schools in California, but is done in this high school District to help students, parent/guardians, and teachers determine and discuss student achievement more frequently. Duplicate copies of all reports of student progress are available in the Counseling Office.

If parents/guardians would like to monitor the progress of their son/daughter on a weekly basis, weekly progress reports are available in the Counseling Office. Students who take home weekly progress reports are responsible for picking up a form at the Counseling Office each week and taking it to each of their teachers at the end of the week. Student progress is also available online through ABI.

Mid-Quarter Progress Reports. With the exception of Union Mine High School, mid-quarter report cards are mailed or sent home in the middle of each quarter. These are not formal report cards, but an early indication of student progress in each class.

Quarter Reports. Quarterly grades are mailed home in the middle of each semester to all students. These grades are formal reports on student progress in all classes. Quarter grades are not part of permanent student records and do not carry any credit, except for Union Mine High School.

Quarter grades at Union Mine High School are equivalent to semester grades. Quarter and semester grades are used to determine academic eligibility for extracurricular activities, including athletics.

Semester Reports. Semester grades are mailed home about 1 week after the end of each semester. These grades carry final credit and are considered permanent grades. These grades become part of the official school record (transcript) for each student and will count on your GPA. Semester grades at Union Mine High School are end-of-course “term” grades.

Students are encouraged to talk over any problems with their teacher upon receipt of their mid-quarter progress report.

Test Information

Achievement Tests

The California Department of Education requires EDUHSD 11th grade students to participate in the Smarter Balanced Assessment Consortium assessments for English language arts and mathematics. These exams will be proctored in spring 2019. Smarter Balanced assessments make use of computer adaptive technology. These assessments will go beyond multiple-choice questions and include short constructed responses, and performance tasks that allow students to complete an in-depth project that demonstrate analytical skills and real-world problem solving. The assessments are aligned to the state content standards for English language arts and mathematics. In addition, the assessments are designed to provide students and parents/guardians with more detailed feedback on a student’s readiness for post-secondary training at community colleges and 4-year universities prior to a student entering the 12th grade. One of the primary goals of the new testing system is to increase the number of students entering community colleges and 4-year colleges without the need for remediation. Research has shown that students who do not need remediation have a much higher likelihood of completing career technical education training, completing an A.A. or A.S. degree, or earning a B.A. or B.S. degree. Academic preparation in English language arts and mathematics is the primary focus of the new testing and accountability system.

High School Diploma Equivalency Tests

General Education Development (GED). This test is given to adults 18 years of age or older who wish to obtain a high school equivalency certificate.

Concurrently enrolled 18-year-old high school students can also take the test. Prior to the test, a no-cost pre-test is given to identify strengths and weaknesses. Please visit the California Department of Education website for GED testing information at:

www.cde.ca.gov/tg/gd

California High School Proficiency Exam (CHSPE). Students can earn a certificate from the State of California, which is the legal equivalent of a high school diploma, by proving proficiency in basic skills. Students must be 16 or have completed 10th grade to take the CHSPE.

Passing the CHSPE does not exempt students from attending school, unless the student receives permission to leave early. Cost: $110 (subject to
Homework Make-up Conditions

Absence
A total of 2 school days will usually be allowed to make up each day of excused absence. Students absent due to school-sponsored activities may be required by a teacher to make up work before the absence. A student absent on the day of a test may be required to take the test on the day of his/her return. If the absence falls on the day of an assignment due date that was known in advance by the student, the student may be required to submit the assignment upon the day of return.

If sufficient makeup time is not possible at the grading period, the teacher may issue an “I” (Incomplete) grade. The student has a maximum of 4 weeks after the grading period to complete all incomplete assignments.

Suspension
The teacher of any class from which a student is suspended is required to provide the suspended student with assignments and homework that will be missed during the suspension. A student is suspended for behavior and is given consequences for his/her actions; it is not the intent of the District Board of Trustees to use suspension as a method for punishing students academically. The teacher will assign homework within 48 hours of the first day of the suspension. The suspended student will be permitted to complete any assignments and tests missed during the suspension or receive assignments of equivalent value. All makeup work will be graded and assigned equivalent value (as compared to a student who is not suspended). All makeup assignments and homework will be counted toward the student’s overall grade in the class. Students will be expected to complete makeup work within a reasonable time period (not to exceed 2 days for each day of suspension). BP/AR 5121, 6154

Truancy
Students who miss school work because of truancy or other deliberate actions should not expect to receive credit for the time missed, nor should they expect the opportunity to take any missed tests for credit.

Homework Guidelines
The daily amount of time required for homework will vary depending on the maturity, abilities, and individual needs of the student as well as the requirements of the course/subject.

Homework Purposes
- Encourage and develop the student’s initiative and responsibility for his/her own learning.
- Provide the necessary practice and review of skills learned at school.
- Develop research skills.
- Create opportunities for independent planning and learning.
- Help build self-discipline and character.

Student Responsibilities
- Listen carefully to all directions or explanations about homework and write (when appropriate) the homework assignment on paper.
- Ask questions if the assignment is not clear.
- Meet the homework standards and strive to produce his/her best work.

Teacher Responsibilities

- Provide homework assignments that support and enrich classwork and are meaningful and varied.

Parent / Guardian Responsibilities

- Check to see that homework assignments are completed.
- Talk with teachers if assignments seem to be causing the student continuing problems.
- Communicate with the school through calls, visits, and participation on school committees.

Principal Responsibilities
- Articulate the District’s homework guidelines to staff, students, and parents or guardians.
- Inform parents/guardians and teachers of the values of homework.

Counseling & Career Planning Services

Counseling Department
Parents/Guardians are welcome to contact the counseling staff at any time. Please use the main school number at each site.

Counseling is available to all students regarding their high school career, future educational planning, vocational planning, and personal problems and concerns. Students are encouraged to take advantage of the counseling opportunities provided by the Counseling Office of their high school. Students may arrange to see their counselors by making an appointment at the front desk of the Counseling Office. Parents/guardians are encouraged to contact the Counseling Office if they have questions or concerns about their daughter’s or son’s academic progress, postsecondary planning, and/or participation in activities.

The Career Center
This Center provides information about colleges, scholar-ship opportunities for students. The Career Center maintains a library of current college catalogs and directories for student use, college videotapes,
and a computer college search program.

The Career Center also has career exploration surveys and information on military careers, financial aid, summer programs, apprenticeship programs, vocational or trade schools, job placements, work permits, and state and federal labor law advisement.

How Can Students Use the Career Center? Classes may be brought to the Career Center for specific assignments.

Groups are invited to the Career Center for presentations, such as college or career speakers. These activities are announced in the principal's newsletter, the daily school bulletin, bulletin boards, counseling newsletter, and special newsletters, such as the senior newsletter.

Individuals may use the Career Center resources to obtain information on career options, college or trade school decisions, and high school education planning.

You are invited to drop in or call to find out about Career Center resources, services, and/or programs.

Computer-Assisted Career Program. The computer-based career search programs available in the Career Centers quickly provide information to help students make decisions about occupations (civilian and military), 2-year and 4-year colleges, graduate and professional schools, and sources of scholarships and financial aid. The information is up-to-date. The system is easy to operate, but the first time you use it, you will probably want to work with a career technician or someone who is familiar with the system. The system allows you to chart out a variety of career options for comparison.

Naviance
Please ask the Counseling Office at your school regarding Naviance, a computer-based program that will help students in making decisions that will impact their after school plans.

Career Assessments
Holland Self-Directed Search (SDS); web-based on Union Mine High School: Bridges, Choices & Naviance. These are career interest inventory assessments given during the 9th or 10th grade career units. The results are reviewed with the student and parent/guardian by the counselor during 10th grade counseling conferences.

Armed Services Vocational Aptitude Battery (ASVAB). This multiple aptitude test is offered free of charge by the Department of Defense. The ASVAB can be used to estimate how well students perform in the following occupations:
- mechanical and crafts
- business and clerical
- electronics and electrical
- health
- social
- technology

Inter and Intra District Transfers

Intradistrict Transfers
There are two kinds of Intradistrict Attendance Applications: Comprehensive High School and Alternative Education.

Comprehensive High School Intra-district Transfers. Specific criteria are provided in Board Policy and Administrative Regulation 5116.2 that can be read in its entirety on the District website (link to policies). Intradistrict transfers will be reviewed in January for the following year.

Alternative Education Intradistrict Transfers. This application is generated by the parent/guardian or school of residence when it is felt that the student could be better served by an alternative school (e.g., behind in credits, etc.). Further information is available from your school's Counseling Office.

Interdistrict Transfers
Into Our District
Parents/guardians who reside in another School District and wish to have their student(s) attend our District must go to the District of residence and obtain an Interdistrict Attendance Application. This application must be approved by the District of residence before it is sent to us for approval. This application is processed through the District Office of the respective School District. Upon receipt of this agreement, it is reviewed or denied by the Assistant Superintendent for Student Services; school placement will be granted at the sole discretion of the District. Notice of approval or denial will be provided to the District of residence and to the parents/guardians.

Out of Our District. Parents/guardians who live in our District and wish to have their student attend a school outside of our District must obtain an Interdistrict Attendance Application from the office of the Assistant Superintendent for Student Services. This agreement must be approved by our District before being sent to the District that the student wishes to attend. Upon approval by both Districts, a copy is sent to the requested school and the parent/guardian. In case of denial, a letter is sent to the parents/guardians.

Open Enrollment
Intradistrict Open Enrollment. Per Board Policy 5116.1, the parents/guardians of a student who resides within El Dorado Union High School District boundaries may apply to enroll their child in any District school, regardless of the location of the residence within the District, if the desired school is not at or over capacity.

For the 2018-19 school year, Oak Ridge, Ponderosa, and El Dorado High Schools have projected enrollments that exceed their established capacities. A limited open enrollment process was completed in January 2018 for Union Mine High School for the 2018-19 school year to bring Union Mine High School to the school's capacity.

General Services

Cafeteria
The Cafeteria Serves hot and cold breakfasts and lunches. Persons in financial need may qualify for meals at a free or reduced price. Applications are available in the Counseling Office and on-line using the ezmealapp at www.eduhsd.net.

Meal Charge Policy

Introduction
The El Dorado Union High School District's Board of Trustees recognizes that healthy, nutritious food is essential to a student's health, development and ability to learn. The District participates in the National School Breakfast and Lunch program which provides free or reduced priced meals to low-income families who meet the federal eligibility criteria; as well as provides meals to students wishing to purchase a breakfast or lunch at a set price. To be fair and equitable and in order to ensure compliance with all State and Federal Child Nutrition Guidelines, the District Meal Charge policy establishes procedures for methods of payment, charge policy, and alternate meal availability.

Free and Reduced Price Meal Program
Any family who feels that they may qualify for the National Free and Reduced Priced meal program are encouraged to complete an application. Applications can be obtained on-line at www.eduhsd.net, at all school sites and the District Office. Completed applications may be returned to the school's Cafeteria, Counseling or
Administration offices or to the District Office at 4675 Missouri Flat Rd. Placerville, CA 95667 Attn: Food Service Secretary. You may apply at any time during the school year. Free and Reduced Meal eligibility extends only to the reimbursable meals served at breakfast and lunch. Eligibility does not apply to any a-la-carte items.

**Pre-Payment Options**

Meals may be pre-paid at any time. There are many advantages to using one of the prepayment options available. The peace of mind that comes with knowing your student has lunch money for the day. Pre-paid meal accounts speed up the lunch lines which allows your student more time to eat and relax. Students who eat healthy nutritious meals do better in school.

**MySchoolBucks.com**

Online payments are a simple, safe and secure way to make payments to your student’s meal account 24 hours a day at your convenience. MySchoolBucks will charge a $2.49 processing fee per transaction so plan accordingly.

**Cash/Checks**

Cash or checks are always an acceptable means of funding your student’s meal account. Please place meal money in an envelope clearly marked with your student’s name, student ID#, homeroom teacher’s name, dollar amount, and check # if applicable. Prepaid deposits should be turned in to a cafeteria cashier or school finance office.

**POS-Personal Identification Numbers (PIN)**

The district cafeterias use the eTrition “Touch n Serve” POS System. ALL students. Free, Reduced-priced, or Paid, will be assigned a POS PIN. Students can obtain their POS PIN through the cafeteria or the District Office Nutrition Services Secretary. Students will input their PIN into the eTrition key pad located at the cashier station. In order to avoid potential misuse of a student’s meal account the POS screen will display a photo of the student for the cashier to verify the correct student is using the meal account. The student’s Free and Reduced-priced eligibility status will not be shown to the cashier in order to maintain confidentiality.

**District Meal Charge Policy: NO CHARGE POLICY**

The District will not allow students to charge to their meal account if it results in a negative balance. It is the parents, guardians, and student’s responsibility to provide funds for the purchase of a breakfast, lunch and a-la-carte items. Cashiers will alert the student when their meal account balance drops below $10.00. Parents/Guardians can sign up for a free MySchoolBucks account which will send a low balance alert when their student’s account is under the family designated dollar amount. MySchoolBucks can send an alert to a designated cell phone as well.

**Parental Controls**

Parents/Guardians can monitor their student’s meal account through the MySchoolBucks program or they can request a meal account statement from the Nutrition Services Supervisor or the District Nutrition Services Secretary. A parent/guardian may call or email the Nutrition Services Supervisor or District Nutrition Services Secretary to place a block on their student’s meal account. Examples of a student meal account block: Student may purchase one meal per day, Student may spend up to $5.00 a day, or student may not purchase a-la-carte items.

**Alternate Meal**

The District and Nutrition Services Department realizes that emergency situations come up and students on occasion forget to bring food from home or forget to bring their lunch money to purchase a meal. We do not want any student to go hungry. In an emergency situation the student will be offered milk or juice and a piece of fruit or a vegetable selection.

**Refunds**

Parents/Guardians may request a refund of their student’s meal account funds at any time.

Parents/Guardians may call or email the Nutrition Services Secretary at the EDUHSD District Office for a refund of their student’s meal account balance. Service fees charged by MySchoolBucks are non-refundable. Refunds will be made by check only, we are unable to credit a charge account or debit card.

**Responsibilities**

Nutrition Service Supervisors will be responsible for training all food service staff on the district charge policy. All new Nutrition Service staff will be instructed on the district food charging policy prior to working the service lines.

**Copy Machine**

A copy machine for student use at nominal cost is located in the Library.

**Daily Bulletin**

This Bulletin contains important news of club meetings, seminars, athletic events, social activities, scholarships, etc. It is read each day, posted throughout the school, and on the school’s website. Students are held responsible for accessing information in the Daily Bulletin.

**Deliveries to Students**

No deliveries are made to students during class time! With 1,000 to 2,400 students at each comprehensive school, there is not sufficient staff to provide this service.

**Emergency Messages to Students**

Only emergency messages will be delivered to students. All emergency messages shall be communicated through the assistant principal.

The school is short-staffed and often does not have the means to deliver messages. Note - To avoid interrupting classes in session, please do your best to take care of all communication with your student before he/she leaves for school.

Information about student insurance policies is available from the schools.

**Library**

School libraries are open each school day. Check with your school library for library hours.

**Lost and Found**

For lost or found items, contact the Main Office during school hours.

**Parking**

A parking lot is provided at each school for student parking. Students may park there or on the streets near the school. Bicycles and mopeds must park in designated parking areas only. Parking permits are required at some campuses. Students may not sit in or congregate around vehicles during the school day or during lunch time. Remember, school parking lots, on-street parking, and other areas near the high school are considered to be on school grounds. It is imperative that vehicles are driven cautiously in the high school area.

**School Pictures**

School pictures are arranged through the individual high school. Students are notified in the Daily Bulletin about retakes, usually in early September.

**Student Body Cards/ Stickers**

Student body cards are provided to all students for identification purposes. Students are encouraged to purchase an Associated Student Body (ASB) sticker which entitles the purchaser to reduced prices at all games, dances, and other activities, both on and off campus.

Check with the respective schools for age requirements, dress, and other special requirements.

The Career Center maintains a list of available jobs in the community for those interested in seeking employment. Good attendance, grades, and behavior must be maintained. Permits must be renewed in August or when one’s job changes.

Sports

Refer to your school’s website or contact the Athletic Department at your school for specific information on sports programs.

Sports Eligibility

Schools in the District have strong sports programs. In order to participate in the sports programs, students must earn at least a grade average of “C” (2.0 GPA) and be maintaining satisfactory progress toward graduation. “I” grades are not calculated as passing. Grades shall be averaged without regard to plus or minus signs. Weighted grades will not be used. Each high school has an appeal committee. A written appeal must be presented within 2 school days after an athlete has been notified of ineligibility. The committee will
respond with a written decision within 1 week.

All 9th grade students are eligible the first quarter.

**Life Fitness II Options**

Exceptions for student athletes to the Life Fitness II curriculum may be based on predetermined criteria. Contact your counselor for more information.

**Sports Participation Donation**

The District believes that athletic activities are important for our young people. We appreciate the support and assistance that parents/guardians and the community provide with their $95.00 per sport donation and individual team fund-raising opportunities. No student shall be required to raise a specified amount of money in order to participate in an activity sponsored by a school-related organization. (EDUHSD AR 1321)

Athletes can use the Scrip program in order to provide a sports donation.

**Scrip-General Information**

El Dorado Union High School District offers a Scrip Program to help defray some of the expenses associated with high school. Parents/Guardians, family, and friends can participate in the Scrip Program and earn scrip credits from participating merchants they normally shop with to benefit students or specific programs. Currently, all schools in the EDUHSD participate in the Scrip Program. Scrip credits can be used to make a $95.00 per sport donation or can be used to help pay for expenses incurred with participation in music programs, ASB, Clubs, Cheerleading and even Academic Programs. AP Exams can be paid through your Scrip Account. For Scrip Information and forms refer to the district website: www.eduhsd.net

The scrip link can be found on the home page under the Parent/Student Menu.

Each school has their own list of approved programs that participate in the Scrip Program. A complete list can be found in the Scrip Information Package or on the District Website.

**Account Set-up Form**

Any person who would like to have their scrip purchases tracked by participating merchants must complete the Account Set-up Form and return it to:

**EDUHSD**
4675 Missouri Flat Rd.
Placerville, CA 95667
Attn: Scrip Coordinator

The information on this form is used to post the earned scrip credits to the student and/or program of your choice.

If this form is not on file at the District Office, the scrip credits will be posted to the General Athletic Scrip Account for the school you are earning for. These funds will be used at the discretion of the Athletic Director. Inactive accounts may be used by the program advisors or athletic directors at their discretion.

**Student Attendance & Behavior**

**Attendance Policies**

Learning and achievement are directly related to consistent, on-time attendance in class. Good attendance is a prerequisite to satisfactory job performance. The same holds true for school. Class time missed cannot be fully replaced with makeup assignments. Students who are absent from a class for more than 20% of the time, for any reason, probably will not be able to pass the class.

State fund apportionments to schools are based on actual student attendance. Therefore, our schools experience a loss of income for any students not in attendance, whether the absence is excused or unexcused.

Compulsory education laws require schools to collect notes and verify absences. Although excused absences no longer count toward ADA, attendance clerks will continue to verify absences and report attendance for compulsory education purposes and truancy determination.

**Report Absence.**

Parents/guardians, please call the Attendance Office between 7:30 and 10:00 am to report an absence.

**Attendance Office Phone Numbers:**

- El Dorado HS: (530) 622-3634 (ext. 1011)
- Oak Ridge HS: (916) 933-6980 (ext. 3080)

- ISP – ext. 7006
- CDS – ext. 7136

Virtual Academy: (530) 622-6212
**Attendance Accounting.** A computerized attendance accounting system is used at each school. In order for the system to work properly, it is important that parents/guardians call the Attendance Office to report all student absences or submit a written note upon the student’s return to school. The note should contain the following information:

- full name of student
- date(s) of absence
- reason for absence
- name and/or identity of person providing information
- date of note

**Notification of Tardiness or Unexcused Absences.** When a student is absent for a full day and the absence has not been verified as excused, the Attendance Office will attempt to contact the parent/guardian within 48 hours. If the absence is unexcused, a consequence, such as detention, will be assigned. Parents/guardians of students who are repeatedly tardy or truant will be contacted. Contact will be made either by telephone or by mail (i.e., a letter or postcard) and will include the date and time of the absence.

**Parent/Guardian-Contact.** Parents/guardians may request to have all school correspondence mailed to their work address. Parents may also request that all phone calls regarding attendance be made during the day. These options may be requested by writing to the Attendance Office. Include the appropriate addresses and phone numbers.

**Attendance Errors.** Students aware of an error in reporting his/her absence should obtain written verification from the teacher and return it to the Attendance Office.

**Procedure for Readmission to Class.** When a student is absent from a class, the student must submit a written note from his/her parent or guardian to the Attendance Clerk. Students should submit notes either at least 10 minutes prior to first period or immediately upon arrival.

**Early Dismissal.** If a student must leave school early for any reason, the student must sign out in the Attendance Office prior to departure.

Failure to do so will result in an assignment of detention. Parent/guardian approval is required for early dismissal.

**Tardies.** Students are given sufficient time to travel between classes and are expected to be seated before the tardy bell rings. Being on time is an important habit for students to develop. Students who arrive late to class are responsible for being sure that the teacher has corrected the attendance record. Students who are habitually tardy to class are subject to disciplinary action taken by their teacher or assistant principal. Students who are more than 10 minutes late to class are marked absent but must remain in class to participate in the learning process and to comply with State law. Students should clear absences with the Attendance Clerk and their teacher.

**Legally Excused Absences.** Excused absences are those due to illness, injury, medical and dental appointments, funeral services for a member of the immediate family, or quarantine. Excused absences for compulsory education purposes are those due to court appearance, funerar, observance or religious holiday/ceremony/retreat, prearranged advance absences, employment conference, and when a student is the custodial parent/guardian of a sick child.

**Unexcused Absences.** Unexcused absences are absences that are verified by the parent/guardian, but are not considered excused (according to state law). It is the parent’s responsibility to send his/her son/daughter to school until the student is 18 years old.

**Truant Absences.** Students are classified as truant if they are absent from school without a valid excuse for 3 full days in one school year; or tardy or absent for more than any 30-minute period during the school day (without a valid excuse) on three occasions in one school year; or any combination thereof.

For a student reported as a habitual truant, referral may be made to the School Attendance Review Board (SARB) which has the option of filing an application for petition with the El Dorado County Probation Department, or a complaint may be filed against the parent/guardian in the Justice Court.

**Chronic/Prolonged Illness.** Counselors should be notified as soon as possible about extensive absences caused by health problems. Verification from a health care provider and/or the Chronic Illness Form 5141.21E may be required for frequent absences due to illness. Parents should contact the school to obtain homework. If a long-term illness (2 or more weeks) is anticipated, the parent/guardian should arrange for home/ hospital teaching through the Counseling Office.

**18-Year-Old Student Absences.** The State of California has determined that 18-year-old high school students are legal adults and have the same rights as parents/guardians to excuse absences. Thus, 18-year-old students may excuse their own absences. Many 18-year-old students are mature enough to exercise this responsibility, but some are not. If any student, including 18-year-olds, accumulates excessive absences, or appears to be absent illegally, additional verification from the parent/guardian and/or doctor may be required to excuse absences. All regular attendance rules still apply.

**Pupil Attendance During Lunch.** The Board of Trustees requires students to remain on campus during lunch periods.

**SARB (School Attendance Review Board).** When a student has persistent problems in school relating to attendance and behavior, and when the normal avenues of classroom, school, and District counseling do not resolve the situation, all the appropriate resources of the community should be brought together to address the problem. A student may be referred to the El Dorado County SARB for agency and community assistance.

**Student Behavior Expectations**

In keeping with Education Code 48900, the District strives to maintain a positive learning environment for all students.

Parents/guardians and students should note that students are accountable for their behavior related to school activity or attendance which occur at any time, including, but not limited to, while on school grounds (including school parking lot and street parking near campus), while going to or coming from school, during the lunch period, whether on or off campus, during or while going to or coming from a school-sponsored activity.

School rules and procedures established to maintain positive student behavior are given to students each year through the Annual Notification to Parents/Guardians publication. This publication includes excerpts of District policies and law that describe major violations which could jeopardize a student’s privileges of attending a particular school in the District.
The District and its schools prohibit unlawful discrimination, cyberbullying, bullying, intimidation, and harassment of any student. Students and parents/guardians should report such incidents to the school administration.

Use this publication as a guide and resource in conjunction with District policies, which can be found on the District website at:

www.eduhsd.net

- Medication at school
- Fingerprint program
- Hazardous materials and Emergency response plans

Regional Occupational Program (ROP)

Website: http://www.eduhsd.net

The Central Sierra Regional Occupational Program (CSROP) provides students the opportunity to progress through a sequence of courses that offer skills needed to qualify for and succeed in postsecondary job training for their chosen career (i.e., technical/vocational program, community college, apprenticeship or significant on-the-job training). CSROP provides course concentrations and advanced training through its “capstone” courses. The primary mission of CSROP is to prepare students for skilled and higher wage careers needed in the El Dorado County/Sacramento region. Upon successful completion of a CSROP course, students receive a certificate indicating industry-specific competencies mastered. Students may also earn a “Work Ready” certificate that informs potential employers that a student demonstrates outstanding personal qualities.

CSROP courses may be used to meet high school graduation requirements, and some courses are articulated with community colleges allowing students to earn college credit while still in high school. A number of courses prepare students for state or national industry-recognized certifications.

To learn more about the industry sector CSROP programs, please visit the website www.eduhsd.net. For registration information, call:
