The Animal Health ROP Class from *Ponderosa High School* visited the El Dorado Pet Club in Shingle Springs on September 21, 2016. The staff allowed the students to bathe the dogs, tour the facilities, and they also learned about the many services offered such as doggy day care, boarding, grooming, training, and rescue with the Foothills Dog Rescue. Thanks for the hospitality and the opportunity for hands on training!

World Gold Panning Championships

The 2016 World Gold Panning Competition was held at the El Dorado County Fairgrounds this month. Prior to the competition and behind the scenes, Mr. Gunnersen's advanced woodworking program at the El Dorado High School was hard at work building the stage and delivering it for the closing ceremony of the competition. "Our students appreciate knowing that the practical work and learning they are doing in class is directly felt and appreciated in the community," Mr. Gunnersen said. Thank you to our sponsors Diamond Lumber and the Paint Spot for donating the lumber and paint for the stage. Great teamwork everyone! The event was a success and the stage shined!
