Feria Informativa: Preparación Universitaria

The second annual Feria Informativa: Preparación Universitaria, held at El Dorado High School on Thursday, October 20, was a huge success. Many students and family members attended the event to gather information about the services that exist for Latino students to prepare for college entrance. Participants from local Universities and organizations included Folsom Lake College, American River College, College Assistance Migrant Program from Sacramento State, UC Davis, University of Reno, and Educators for Fair Consideration. Thank you to all of the families and participants for making this event such a success and we look forward to our Financial Aid workshop in Spanish on December 7, 2016!

Children's Theatre

On October 12 and 13, over 600 students from El Dorado County elementary schools visited Ponderosa High School (PHS) to enjoy the Children's Theatre production of Sleeping Beauty. PHS drama students put on a lively, colorful and interactive show enjoyed by children and adults alike! Elementary students were excited to meet the performers after the show.

SVC League Champions

Congratulations to Union Mine's Varsity Girls Diamondback golf team for clenching the 2016/17 SVC League Championship Title. They finished the season with a 515 score at the final league tournament. Assistant Head Coach, Martin Walsack, stated "This past golf season, Union Mine's Varsity Girls golf team put in many hours of practice at the range at Cameron Park Country Club and Cold Springs CC. On the weekends, the ladies either played or practiced golf with their friends, family, or teammates. These dedicated ladies are also stellar in the classroom, earning a combined GPA of 3.5! This is the third year in a row the Varsity team has gone undefeated in the regular season." Way to go ladies!

Step Back in Time to the Gold Rush Days

Three Oak Ridge Advance Placement History classes recently toured the ghost town of Clarksville. The tour was organized by the Clarksville Region Historical Society's, Mike Roberts. Roberts, along with local historian Melinda Peak, has sponsored local history projects at the school for the last two years. Students have tackled 40-plus Gold Rush-era topics spanning Sacramento and El Dorado Counties, developing research skills in real-world settings near and far, from Ancestry.com to dusty archives, museums and history centers. The assignment demands they link their topic to various facets of the Gold Rush, including its culture, economics and institutions. Some of last year's projects can be seen on the video kiosk at the El Dorado Hills Library as well as on local cable channels.

Scholar Athletes

Athletes at El Dorado High School are on top of their game in uniform and in the classroom with a cumulative GPA of 3.37. This fall is the highest combined GPA the athletic programs have ever achieved, with the help of their teachers, the student athletes continue to excel. The Volleyball Team has 3.55, Cheer 3.49, Girls Golf 3.45, Water Polo 3.36, Cross Country 3.35 and Football with a 3.04. Congratulations Cougars!
