Appreciation Night

On Friday, September 22, 2017 both football teams from EDHS and PHS honored our military men and women. EDHS had representatives from all four branches at their game who setup recruiting tables, led the football team in the march, and did the coin flip prior to the game. PHS joined together to honor fallen warriors from both the armed services and community services; including fire and law enforcement. PHS's Bruin Blooms created and donated beautiful wreaths to the family of Officer French & PHS Key Club collected donations at the game for the support of the Cameron Park Fire Fighters Burn Victims and El Dorado County Military Family Support Group. Thanks to all who showed your support to the people who make a difference in our lives and in our community.

Honorary Team Captains

The UMHS Varsity Football Team, led by Coach Bist, has been getting to know students in Shelley Abel-Smith's Transition Special Day Class. The whole team has been eating lunch in the cafeteria weekly with the Transition Class and stopping by the classroom to visit. The team has invited five students from the Transition Class to be honorary team captains at the five home football games. The players are setting a great example for the entire school about team spirit, comradery, and inclusion.

Silva Valley Reading Night

Eric Cavaliere started a beautiful new tradition at ORHS last year. He had his football players volunteer to read books to elementary school children. This program shows the young children that our athletes (who they look up to) value reading and school and they should too. ORHS Principal, Mr. Palm, would like to thank the following groups for joining Reading Night this year: tennis, band, drama, and student leadership. Silva Valley Elementary School's Principal, Ms. Holliman, told Mr. Palm, "I wanted you to know how much we appreciated all of the Oak Ridge students who came to support our Trojan Reading Night! We had 15+ football players, ladies tennis, drama, and ASB represented! Our students loved being read to by the students. I also wanted you to know how well they represented Oak Ridge! Your students were polite, respectful, and so enjoyable to be around."
