## January 22, 2018

### ROP Enrollment is Open

We would like to invite current Sophomore and Junior students to explore the many options that ROP has to offer in the next school year. There are courses based on various industries, with our skilled instructors bringing real-world applications to the classroom. Some ROP courses offer an externship during the second semester. Upon successful completion of a ROP course, students may receive a ROP certificate indicating industry competencies achieved. All courses will cover job seeking skills, interviews, portfolios, and resumes. ROP is a great option for students who are college bound as well as for students that would like to explore career options right after high school. All ROP courses are part of Career Technical Education pathways, many of which continue to our local community colleges. Some courses even offer college credit while in high school. For more information, contact your Career Center, Counseling Office, or visit <http://www.eduhsd.k12.ca.us/Educational-Services/Career-Technical-EducationROP>.

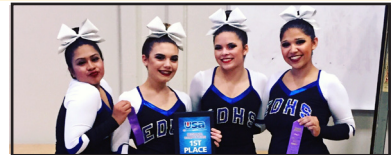

### Nationwide Yearbook Contest

Union Mine High School's yearbook staff recently earned a 1st Place Award for their 2016-2017 edition of *The Rattler*. Excelling in content presentation, photography, and page design, the yearbook staff worked extremely hard to make sure this was an all-student created publication from cover to cover. Thank you to the leadership of the senior yearbook editors Kami Kaku, Kaylie Jonutz, and Shaelyn Lapeyrade. Congratulations to all!

### USA Regional Competition

El Dorado High School's Varsity Cheer Team received 1st Place and a qualification at the Del Campo USA Regional Cheer Competition on January 6th. The cheerleaders will be competing in the Varsity Song/Pom Novice category against schools from across the nation at the 2018 Spirit National Cheer Competition in Anaheim on February 23rd. Congratulations and good luck at your next competition!

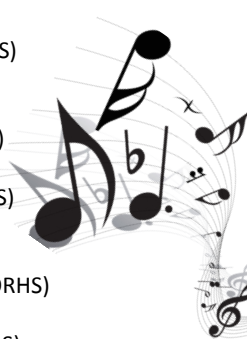

### Congratulations EDUHSD Musicians

Please join us in congratulating the following students for successfully auditioning and being accepted into the following Regional and State Honor Bands and Choir. They'll be joining other musicians from around the state to comprise "Best of the Best" bands and choirs to be conducted by nationally acclaimed conductors and music professors.
