Over 1,000 students, parents, and community members were in attendance at the El Dorado Union High School District's 2018 Career Expo, held at Union Mine High School on March 14, 2018. Over 100 exhibitors were in attendance, with about 260 volunteers. Mock interviews, resume reviews, and live demonstrations were available for all in attendance. A special thank you to Chick-fil-A for providing a generous discount on food for our industry partners, Target for providing a gift card for food purchases, Bonney Plumbing for the backpack bags for the students in attendance, Doug Veerkamp for donating lights for the outdoor areas, and UMHS maintenance staff for setting up and tearing down the venues. Thank you to all of our wonderful organizers, volunteers, and attendees for making this a successful event!

Math Club Runs Successful Competition

Oak Ridge High School's Math Club recently held an event that would melt any educator's heart. They put on a math competition that let elementary students from 22 different schools compete and appreciate math. They successfully coordinated with Math League organizers and regional chapter coordinator Jeff Soesbee in conducting Math League contests for Elementary and Middle school students in the Sacramento region. There were a total of 60 students from 22 different elementary schools from the greater Sacramento area. These 22 schools participated in the morning session. During the afternoon, there were approximately 40 students from 14 different middle schools across the Sacramento area. Contest preparation started at 7 a.m. and was completed by 6 p.m.. Math League National Organizers definitely appreciated ORHS Math Club in supporting the event and promoting math and stem with young people. Great work everyone!
