## Model Coach

The Sac-Joaquin Section named six Model Coaches for being positive role models in their craft and in their communities. Each of the six will receive a plaque and a lifetime section pass at an awards breakfast on May 1 in Lodi. Congratulations to Oak Ridge Girls Basketball Coach, Steve White! White has been the Oak Ridge Coach for 22 years, winning 14 league titles, three section banners and the 2010 CIF State Division I title over nationally ranked Long Beach Poly in one of the state's greatest upsets. He's a three-time Bee Coach of the Year and he won two section titles in softball. White has also been Athletic Director for 15 years and Class Adviser for 12. "Steve's most impressive numbers are the long list of alumni who come back every year to visit with Coach and watch the games," Oak Ridge Principal Aaron Palm said. "All of the young ladies who have learned that when life gets hard, you play harder. They have learned to never give up and how to be a team player. Players who graduate from a Steve White program are life ready."
