School Bus Accident August 14, 2014

The following is El Dorado Union High School District's statement regarding the school bus accident this morning.

No students were seriously injured in a school bus accident involving two passenger vehicles at approximately 6:30 a.m. this morning on Grizzly Flat Rd. in Somerset, while on the way to school. The bus belongs to the El Dorado Union High School District, which followed all safety policies and procedures, and two of the children were transported to the hospital in emergency vehicles, as a precaution. The district is notifying parents and guardians of students involved in the accident. District Superintendent Chris Hoffman is on the scene of the accident to ensure that parents, guardians, students and the community is kept informed of any developments.
