## EDUHSD superintendent finalist for superintendent of Elk Grove

El Dorado Union High School District (EDUHSD) Superintendent Christopher Hoffman announced Monday, September 15 that he is a finalist for the position of superintendent for the Elk Grove Unified School District (EGUSD) located south of Sacramento – the EGUSD School Board will make its final decision on the evening of Tuesday, September 16. Hoffman grew up and currently resides in Elk Grove with his family. While spending the majority of his pre-college education at EGUSD, he decided to become an educator and served as a teacher and administrator for the district. His children currently attend the school system.

Hoffman has been serving as superintendent of EDUHSD for four years and assistant superintendent for two and a half years. EDUHSD is comprised of 8 high schools and serves almost 7,000 students who enter high school from 12 feeder elementary districts in El Dorado County. The district is committed to preparing students to become college and career ready and actively supports parental involvement in the educational process.

If the EGUSD School Board gives their approval, Hoffman will work hand-in-hand with EDUHSD's Board of Education over the next several weeks to ensure a smooth transition period for students, staff, parents and the community.
