Jessicca Rodgers Joins El Dorado Union High School District Board

On Friday, May 17, 2019 at a Special Board Meeting, the El Dorado Union High School District Board of Trustees conducted interviews of three candidates to fill the vacancy left by departing Board Member Trisha Wilkins.

Jessicca K. Rodgers, an active member of the California Association of School Business Officials (CASBO), California Association of Supervisors of Child Welfare and Attendance (CASCWA), and the Association of California School Administrators (ACSA), and a longtime resident of the District, emerged as the provisional appointee. Mrs. Rodgers was officially sworn-in at the conclusion of the Board's deliberation following the interview process. The official term of expiration of the Board Member who left the Board was December 9, 2022, but California law requires that the provisional appointment end by December 2020, so the seat will be up for election for a two-year term in November 2020. It is the anticipation and desire of the Board of Trustees that the provisional appointee will run for office in the November 2020 election.

Mrs. Rodgers is currently employed as the Operations Manager at School Innovations & Achievement and resides in Pollock Pines.
