Important Community / School Information

Dear EDUHSD Families,

As reported by the El Dorado County Sheriff, the community had a tragedy occur over the weekend that may impact our schools, and we wanted to make sure you were aware of the circumstances.

The El Dorado Sheriff has issued a press release that informed us that a Diamond Springs teenager has been arrested and booked into the El Dorado County Juvenile Hall on charges of murder. According to the El Dorado Sheriff's press release, it appears this tragic situation occurred within the teenager's home where a deceased family member sustained an apparent gunshot wound. At this time, this is an ongoing Sheriff's investigation and no confirmation has been released regarding the identity of the individual involved. In an effort to support students and staff, the High School District will have counselors available to those touched by this difficult situation.

The El Dorado Union High School District is currently gathering all of the facts regarding this matter, and we want to thank the El Dorado County Sheriff's Office for their hard work keeping our schools and community safe. Thank you for your patience and understanding.

Sincerely,

Stephen Wehr
