## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Pacific Crest Academy is a dependent charter in the El Dorado Union High School District. Our name changed officially in the 2021-22 school year from Virtual Academy at Shenandoah to Pacific Crest Academy. Our mission and goals, however, remain the same.

Pacific Crest Academy's mission is to prepare students for leadership in 21st century careers through a technology infused instruction emphasizing STEM, communication, historical perspectives, quality internships and early college experience. We empower individuality with adaptable and supportive learning models that meet students where they are and ignite the passion, knowledge, skills and character for lifelong growth and positive impact.

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	5
Intern Credential Holders Properly Assigned	0
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0
Unknown	0
<b>Total Teaching Positions</b>	<b>5</b>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
Permits and Waivers	0

## School Facility Conditions and Planned Improvements

The Pacific Crest Academy takes pride in maintaining a safe and clean campus fit for high quality learning. Based on the most recent Facility Inspection Tool (FIT) evaluation conducted in November of 2020, the school received the highest ratings in all categories and an overall exemplary rating. The district Maintenance and Operations team provided outstanding service in response to site safety and cleanliness needs.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 Career Technical Education Programs

Students at the Virtual Academy partake in a variety of CTE courses at other sites throughout the district. The EDUHSD Virtual Academy helps support two CTE pathways on our campus, the ROP Cosmetology program and the ROP Dental program. In addition, EDUHSD Virtual Academy Students may enroll in any of the following regional occupation program courses offered: Animal Health, Database Design and SQL Programming, Health Careers, Culinary Arts, Law Enforcement, Fire Control Technician, Metal Fabrication, Diesel Engine and Auto Engine.

The EDUHSD Virtual Academy also offers other courses and programs that are specifically focused on career preparation. The Internship Program offered on site provides students with the opportunity to participate in any of over 100 internship placements throughout greater El Dorado and Sacramento counties. In many cases, these internships have led to careers for students following graduation.

Students are also afforded the opportunity to take up to two college courses per semester at Folsom Lake College, thus furthering their access to CTE coursework.

## 2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	17
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	60

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parent involvement is strongly encouraged at our school. As a charter school we have a Charter Advisory Committee which all parents are welcome to apply to be on or to publically attend. These public meetings are held once a month. The Charter Advisory Committee votes on how Federal categorical dollars are spent. They are part of the WASC accreditation process and they have input in how the LCAP supplemental money is spent in our school and district. The parents in the Charter Advisory Committee also help to develop and set the school mission and vision every year. This group also participates in defining the school goals each year. Through direct access to their student's Canvas learning management accounts, parents are afforded opportunities to engage in continual oversight of their students' academic progress as well as communicate easily with teachers. Additionally, the director is available to meet and offers conference time with each grade level's parents and students on college and career planning.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

The Pacific Crest Academy takes a comprehensive approach to safety on its campus. The school safety plan is reviewed every year by the staff at the beginning of the year. The School Safety Plan is also reviewed by the school's Charter Advisory Committee once a year. Plans are updated and submitted to the LEA in October of each year.

The Pacific Crest Academy holds one staff meeting a year committed solely to safety. Each emergency plan is reviewed and evaluated. Teachers are allowed to ask questions and make suggestions at these meetings. Teachers bring their emergency supplies to this meeting and report any missing pieces for a replacement.

The school administrator attends all district, county, and law enforcement safety meetings. On an annual basis, the El Dorado County Emergency Services Operations (ESO) as School Resource Officers meets with all district site representatives to review the safety plan, lockdown and evacuation procedures, as well as reviews pertinent safety information from a preventative approach. All updates and changes of protocols brought forward in these meetings are implemented into the school safety plan. All elements of the safety plan that involve outside organizations are reviewed with those organizations to ensure they are still a viable partner.

Each term, the Pacific Crest Academy practices all of the emergency plans. These plans include fire, earthquake, evacuation, and lockdown drills. Reviews are held after all drills and actual emergencies to seek improvements to the plan. All students and staff participate in these drills to ensure their safety in an actual event. During the school day the campus is patrolled by one campus monitor. The lunch period and time before and after school are also monitored by the teaching staff and school administration. The Pacific Crest Academy takes every precaution to ensure the total safety of its campus, students, and staff.

## 2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## 2020-21 Types of Services Funded

For the 2020-21 fiscal cycle, the Pacific Crest Academy committed resources to help ensure that all students had the adequate support necessary to succeed in high school and beyond. VA also committed to meeting the needs of students during distance learning and limiting learning loss through a variety of offerings outside of the school day.

With the oversight of the Charter Advisory Committee, the Pacific Crest Academy engaged in efforts designed to improve student outcomes in mathematics through committing resources for online math support tools. In order to help improve student A-G rates and the ability to matriculate into a university after high school, the Pacific Crest Academy invested in an online, UC approved Foreign Language program through Middlebury University. The program has allowed for students to not only complete the foreign language requirement needed for college, but also to explore languages that have not been traditionally offered in the El Dorado Union High School District.

Technology - Pacific Crest Academy is committed to providing cutting edge technology and placing devices in the hands of our students. All students during distance learning were able to check out a chromebook and/or a hotspot to meet their needs of being able to learn via a distance learning model to start the year. We have a 1:1 Chromebook to student ratio even with devices having been checked out. We currently have 170 student technology devices on our campus which are used to meet the educational needs of all students. We continue to implement Google Apps for Education, Pearson Math XL, IXL, No Red Ink, online textbooks and curriculum, supplemental resources and adaptive online computer software to help with online instructional strategies, intervention and remediation. Canvas is our learning management system that allows students and parents the ability to see not only work assigned but work submitted as well.

APEX and Edgenuity- Pacific Crest Academy understands that students learn in a variety of ways. We use the APEX curriculum and Edgenuity, to help with elective courses and our Health class. The program(s) are designed to keep students on track for graduation but provides them with the flexibility to work at their own pace.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
