

COMMUNITY ADVISORY COMMITTEE (CAC)

About CAC

The El Dorado County SELPA's Community Advisory Committee is a dynamic, collaborative partnership comprised of educators, parents/guardians, and community members from across 14 districts in El Dorado County. The CAC provides an opportunity for members to be involved and provide input to the SELPA regarding the Special Education Local Plan, annual priorities, parent/guardian education, and other special education-related activities. The CAC holds three meetings annually to address topics of interest to families of children and young adults with disabilities.

Why Join the CAC?

- Assist in building relationships and communication between schools, parents/guardians and related agencies.
- Encourage community and parental/guardian involvement in the review of the Special Education Local Plan.
- Provide families an opportunity to share resources and support within their school and community.
