Our major source of funding, however, has been through the sale of memorial bricks at the El Dorado County Veterans monument. We award scholarships to the sons and daughters of veterans because we appreciate their parents' military service to our country. To be eligible for our El Dorado County Veterans Monument Scholarship, the student must be the child of a veteran, achieve academic success, and be active in school and community activities.

## VINTAGE GRACE'S LIVING PROOF SCHOLARSHIP

Vintage Grace Church (El Dorado Hills) provided a \$500 scholarship opportunity to one male and one female student from Oak Ridge High School who could demonstrate strong leadership and academic achievement, as well as a commitment to serving in their local community. Applicants were asked to respond to this essay prompt: Explain what has motivated you to donate your time, treasure, and talent to your local community. What impact has your volunteer experience had on your personal growth?

Alex Gao, ORHS

Nicole Shedd, ORHS

Total Amount Awarded: \$1,000

Congratulations to every scholarship recipient. These students worked diligently to perfect personal essays, collect letters of recommendation, prepare resumes, request transcripts, and much more. We are truly proud of their efforts and we are thrilled to celebrate their success.

We would like to thank all of the El Dorado County families, organizations, clubs, foundations, and businesses mentioned above. Without your dedication, time, and generosity, these scholarship opportunities would not exist. Thank you for your patience this year, and for adjusting with us to the unique challenges due to our school closures.

If you are a member in our community who would like to create a scholarship opportunity (on behalf of your family, or even your business), please contact the College & Career Center at your high school. With the cost of tuition rising every year, these opportunities are always appreciated.
