COVID-19 and Illness Symptom Reporting

EDUHSD Community,

EDUHSD is continuing to refine practices and protocols relating to the [CDPH COVID-19 Public Health Guidance for K-12 Schools in California, 2021-2022](#).

To increase efficiency, convenience and accuracy of communication we have created an [EDUHSD COVID-19 Reporting Form](#) (in lieu of contacting the school Health Office) to be used when your student has tested positive for COVID-19 or has been exposed to someone who has tested positive for COVID-19. You do not need to contact the school Health Office if you submit this form. If your student is going to be absent from school, please notify the school Attendance Office.

Additionally, a revised version of the "[EDUHSD Symptom Checklist](#)" has been posted to our websites for your use. If your student is experiencing symptoms of illness, please use this form to share specifics with your school. You do not need to contact the school Health Office if you submit this form. If your student is going to be absent from school, please notify the school Attendance Office.

If you have questions regarding COVID-19, you may email our EDUHSD COVID-19 School Response Team at COVID19@eduhsd.k12.ca.us or call us at (530) 622-5081 ext. 7238

We appreciate your ongoing efforts to address the challenges of COVID-19 in our community. Adherence to the guidelines helps to reduce the spread of COVID-19 and keep our students, staff and families healthy.
