National School Nurse Day

National School Nurse Day is observed on the Wednesday during National Nurses Week in May. It's a day when we come together as a nation to celebrate the field of school nursing. This event honors the daily efforts of school nurses to ensure the healthiest possible environment in which to learn and work.

Meet Your EDUHSD Nurses: Melissa Lampe, Kelly James, Janie Grantham-Carlson, Amber Uber

They are superheroes on campus who provide outstanding care and deserve to be celebrated.

To our nurses, please know how much you are appreciated!
