FOR IMMEDIATE RELEASE

April 29, 2020 | El Dorado County, CA

Introducing the Wellness Center Website

Dear El Dorado Union High School Community,

The EDUHSD/SCFS Wellness Center team has been working hard the past couple weeks to present to you a new website! You can access the website using the following address: <https://www.scfswellnesscenters.org>

On this new website, the team aims to continue to provide updated helpful resources and information on upcoming Wellness Center news and events. Please take a minute to check it out!

The Wellness Center is also offering a weekly Lunch Group on Tuesdays for students to connect over Zoom. Please check the website for the theme of the week and to RSVP! This coming Tuesday May 5th, our theme is Movie Trivia.

If you would like to stay updated with the newest Wellness Center resources, please subscribe to the email list via our website. We will notify you when new resources have been added.

If your family needs non-emergency assistance and can't access the internet, please call (530) 280-2009.

Best Regards,

Pam Bartlett (on behalf of the Wellness Center Team)
Senior Director of Student Success
El Dorado Union High School District
(530) 622-5081
