COVID-19 Vaccine Interest Survey for Students and Families

El Dorado Union High School District Community,

EDUHSD is conducting a survey to determine the amount of interest among our families for students at least 16 years old to be vaccinated against COVID-19, as well as members of their families who have not received the vaccine.

If you are interested, please complete and submit this survey (one per family) by Friday, May 7, 2021.
