### **You're Invited! Coffee Talk**

*Welcome Parents/Guardians!*

*The Wellness Center would like to invite you to join us for our pilot program Coffee Talk. We will host light refreshments, a brief discussion and open conversation to share ideas and experiences related to the joys and challenges of parenting. For the month of April, we will highlight the upcoming change in routine to a full time/in-person school schedule and how to best support your household with this change. Please click the link below for location/time/event options and to RSVP! For the time being, we are limiting each gathering to 10 guests. We will send a confirmation email to the email provided.*

*We look forward to meeting you!*
