FOR IMMEDIATE RELEASE

September 14, 2021 | El Dorado County, CA

Community Testing Update

El Dorado Union High School District Community,

In accordance with the California Department of Public Health COVID-19 "K-12 Schools Guidance" EDUHSD is sharing the following voluntary community COVID-19 testing opportunities with you. For more information regarding testing, please refer to the following website: [CDPH Updated Testing Guidance](#)

Testing is Free of Charge
Pre-Registration may be required
<https://testbeforeyougo.com/>
<https://www.covidclinic.org/>

OptumServe testing is now available at the Placerville Library Monday through Friday 8-4 p.m. Please call 1-888-634-1130

El Dorado Community Health Center

For students in need of a test to comply with CDPH guidelines for a modified quarantine:

3:30-4:30 p.m. Monday through Friday in Diamond Springs and Cameron Park. Child and parent must be wearing a mask and remain in their vehicle for testing. A consent form will be signed by the parent and include contact information to report the test results. The parent/child will need to call the following number to schedule a test:

El Dorado Community Health Center
3100 Ponte Morino Drive
Cameron Park
(530) 556-2004 (Call in Advance)
