FOR IMMEDIATE RELEASE

September 3, 2021 | El Dorado County, CA

Curbside Meals Update

El Dorado Union High School District Community,

With the significant increase in families being able to return home from evacuations, the District will end curbside meals as participation has been dropping constantly and students are receiving a free breakfast and lunch while on campus daily. Students enrolled in the Online Distance Learning Program can work directly with their school site nutrition services supervisor for coordination of weekly meals.
