FOR IMMEDIATE RELEASE

April 27, 2022 | El Dorado County, CA

Substance Use Prevention and Fentanyl Education Night

The El Dorado Union High School District is hosting a Substance Use Prevention and Fentanyl Education Night. Parents and students are encouraged to attend. There will be two opportunities to attend this powerful and important event:

First opportunity: Monday, May 9th from 6:00-7:30pm at Ponderosa High School in the Large Gym.

Second opportunity: Monday, May 16th from 6:00-7:30pm at Union Mine High School in the Large Gym.

Counterfeit prescription pills containing deadly chemicals are widely available across the country. Some, like Fentanyl, have the power to kill within minutes. Come hear Zach's Story, a special presentation from Chris and Laura Didier, parents of Zach who died of Fentanyl poisoning.

This event will also include vaping education and resources.

Help us get an idea of how many will be attending by [Clicking Here](#) to register.
