EDUHSD Online Program

Dear EDUHSD Families,

The El Dorado Union High School District continues to offer an Online Distance Learning Program (ODLP). ODLP offers a fully online program with daily teacher instructed classes via Zoom alongside courses offered as independent study through Apex or Edgenuity. We are currently accepting applications for all grade levels for the 2022-2023 school year. Given our 4x4 block schedule, families should plan to be in the program for the full school year.

The below ODLP brochure is also [available here](#).

EDUHSD ODLP

Online Distance Learning Program

About Us

- Full-time Distance Learning Program
- Offers flexibility, support, and engaging courses
- Teacher-led & teacher created content for core classes

The online distance learning program (ODLP) is being offered to provide families with the opportunity to attend regularly scheduled teacher led classes from home each day in parallel with independent study courses. In some instances, a student may access an on-campus in-person course.

WHY US?

Curriculum ✓

Core classes (English, Math, Social Science, & Science) are instructor led. Independent Study courses are delivered via Apex/Edgenuity.

EDUHSD Staff ✓

Highly trained, certificated, dedicated teachers. Teachers meet with students daily via video conferencing apps. Teachers hold regular office hours for 1-on-1 help.

Advanced Education Opportunities ✓

ODLP allows qualifying students the opportunity to enroll in Los Rios Community College District courses while still in high school.

4x4 Schedule ✓

Core classes utilize the 4x4 block schedule. Students take 3-4 classes in the fall and 3-4 classes in the spring. This allows students to focus on fewer classes at a time and learn the material on a deeper level.

STAY CONNECTED

ATHLETICS/EXTRA-CURRICULARS
